Judges Helping Judges

Guest Speaker,

***Retired Judge Janet
Ellington***

When a sitting judge struggles with a substance abuse disorder who can she tell and where can she go for help?

Join us as our guest speaker, ***Retired Judge Janet Ellington***, shares her story of when she, as a U.S. Magistrate Judge for the South District of Texas, discovered that the person who would help her the most was a fellow federal judge. Listen as she describes what is what like, what happened and what it has been like since her recovery.

Let's talk about it!
